Principal's Message:

I would like to welcome back all students, parents and staff to W.C. Little Elementary School and wish you all a wonderful 2018. A special welcome to families and students new to W.C. Little

As we experienced extreme cold weather over the holidays I would like to remind all students to dress appropriately for the weather. This includes hats, mittens/gloves and boots and warm jackets/snow pants and snowsuits.

At the end of the school day students are reminded to go straight home after dismissal. Please remind your child of this. There is no supervision at school once they are dismissed by their teacher. Thank you.

Sincerely,

S. Young
Principal

Now that the Christmas season has ended, we are asking you as always, to refrain from sending peanut or tree nut products to school for snack, lunches or class parties. Our goal is always to make school a safe place for all of our students. We appreciate your co-operation and understanding. If you have any questions, please contact your child's teacher

or for more information contact Anaphylaxis Canada at www.anaphylaxis.ca.

Provide Input on Proposed 2018-19 School Year Calendar

The Simcoe County District School Board (SCDSB) invites public school communities to submit input regarding the proposed school year calendar for next school year (Sept. 2018 to June 2019). Starting Jan. 9, input can be provided by visiting www.scdsb.on.ca, then clicking the link on the 'School Year Calendars' page under the 'Schools' menu. All stakeholders including staff, school council members, parents/guardians, students and members of the school community are invited to provide input. The deadline to submit input is Jan. 31.

Attend a French Immersion Information Night; Registration Opens in January

The SCDSB offers French Immersion (FI) at select schools throughout Simcoe County beginning in Grade 1. The goal of the FI program is to enable students to communicate in French with a high level of proficiency, enabling them to function with ease in both French and English. Upon graduation from the program, students will communicate in French with confidence in a wide variety of real-life situations.

Information sessions take place in January for parents of students in Senior Kindergarten. Information session dates are posted at www.scdsb.on.ca under Programs, French as a Second Language.

The FI online application form will be available from 9 a.m. on Mon. Jan. 22, until 9 p.m. on Wed. Jan. 24, 2018 at www.scdsb.on.ca under Programs, French as a Second Language. While every effort is made to accommodate all FI applications, available space and staffing will determine how many students can be registered. Applications will be processed in the order they are received electronically. Please contact the school if you do not have Internet access at home or require assistance accessing the online application.

Please note that the host sites for FI may change during your child's time in the program, and your child may need to move schools. This may also include splitting the program between two different sites.

Five Healthy New Year's Resolutions for Your Family

Some of the top New Year's resolutions across all age groups for 2017 were eating healthy, getting in shape and reducing stress. So, how do you set and achieve a resolution to be healthier? It's been proven that the key to success is setting small goals which require steps towards a larger

goal. Here are some New Year's resolutions that families can work on together in 2018:

- spend 30 minutes outside playing together as often as possible, regardless of the weather
- find a place that provides opportunities for the entire family to be physically active together or offers child care and after-school programs
- add physical activity or play time to the calendar, such as scheduling an evening walk or fitness class, with the same commitment as other important meetings
- pick a fun run/walk or 5K to do as a family - sign up, train and participate together
- have more family dinners together and involve children in preparing meals as much as possible
