School Council Corner

Follow W.C. Little Elementary Parent Council on Facebook or @WCL_Council on Twitter for updates, news and important reminders!

We need volunteers this coming fall for our Food Programs. Our food programs are an important part of our annual fundraising plan - the kids love our food offerings - and parents love that they don't have to make lunches! However, to run our food programs this year, we will need new volunteers to help coordinate the program, organize orders, and assist with distribution of the food at the school. In particular, a **Volunteer Food Program Coordinator is needed** for 2018/19 school year. This position is great for someone who wants to volunteer for the school, but either has little ones at home, or is unable to be at the school for other reasons, like a crazy work schedule. All this position entails, is collecting volunteer forms from the office at the start of the school year and calling/emailing

Welcome!

potential volunteers to see what they would like to help with (ie. milk, pizza or hot dogs). This might take about an hour in total, spread over a few days, depending on how quickly you get a hold of people. If this is something you might be interested in please email wclparentcouncil@gmail.com and someone would be happy to chat with you about this 'behind the scenes' but oh so vital position. Our **QSP** magazine, gift and cookie dough fundraiser will be launching on September 26 check backpacks for the fundraiser packages. Have you been receiving **renewal notices for your magazines?** You can log into **QSP.ca** now to make all of your renewals, and still support our school.

Our next meeting is on **MONDAY, September 17th** at 6:30 pm in the school library. Please feel welcome to attend. Have you ever wanted to be a part of our School Council team? Watch for a form coming home in the first week of September to register as a member, or to nominate this year's Council executive.

No Pets Allowed!

An important reminder that pets are NOT permitted on Simcoe County District School Board property. This is for the safety and well-being of our students AND our school grounds. Thank you!

We're Not Nuts!

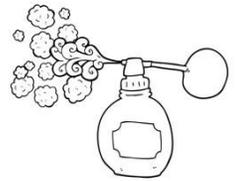

We wish to request that all parents/guardians help staff assist students/staff with potentially life-threatening allergies to nuts by ensuring that all lunch and snack items brought to W.C. Little are nut free! Thank you for your assistance in this important matter.

Student Accident Insurance 2018-2019

Student injuries at school, during school events, and extra-curricular activities (athletics, clubs, and out-of-province/out-of-country trips), are not covered by the board or its insurance company. While every precaution is taken to provide a safe learning environment, accidents can and do happen. The Simcoe County District School Board has selected the Insure my Kids program through Old Republic Canada as an option for students/parents/guardians to consider. This insurance offers a variety of plans and benefits at

reasonable annual prices. Coverage can be purchased online at www.insuremykids.com.

Participation in extra-curricular activities (athletics, clubs) or out-of-province/out-of-country trips requires the purchase of this insurance, or other extended health and dental coverage.

Student accident insurance packages will be sent home with students.

New Simcoe County District School Board Website Launched this Summer

Visit www.scdsb.on.ca to check out our brand new look! Our new website launched in July, providing users with an accessible experience that is mobile-friendly - it works well whether you're on a desktop computer, mobile phone or tablet. The new website also has improved search functionality and a special *SCDSBshines* section to highlight and celebrate the amazing accomplishments of our staff and students.

SCDSB Community Apps portal makes volunteering easy

We appreciate the commitment of all who volunteer at our school. This school year, we are implementing a new online Volunteer Portal. SCDSB Community Apps is a new online portal that allows you to begin the process for volunteering at a SCDSB school. The portal eliminates much of the paperwork currently associated with volunteers. Volunteer applications and approvals will occur online. The new mandate for Accessibility for Ontarians with Disabilities Act (AODA) training, for volunteers, is also part of the portal. The Volunteer Portal is available for all new people requesting to volunteer at a school location: <http://communityapps.scdsb.on.ca>. Only new volunteers or those who require an updated Criminal Background Check Vulnerable Sector

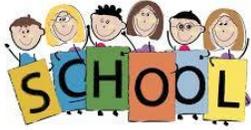

Screening (CBC-VSS) are able to register on the portal at this time.

Procedures Help Keep Our School Safe

The safety and well-being of students is our top priority. We

have a number of procedures in place to keep our school safe. You can help your child understand and feel safe by:

- talking to them about the situations below
- reminding them that emergencies are rare
- telling them it's important to follow staff instructions in these situations

Parents should talk about the following emergency drills with their children:

- **Shelter in place** is used when there is an environmental or weather-related situation, like a chemical spill outside the building, or a major storm. Activities continue inside the school. Students and staff are not allowed to leave the building. The ventilation system may be shut off.
- A **hold and secure** is used when there is a situation in the community, not related to the school, like a bank robbery nearby. Activities continue, but all exterior doors are locked. No one is allowed to enter or exit the school.
- A **lockdown** is used when there is a major incident or a threat of violence related to the school. Students and staff move to secure areas, away from doors and windows. Interior doors are locked, lights are shut off and blinds are drawn. Students and staff remain quiet. We practice lockdown drills at least two times per year. In the unlikely event of an actual lockdown situation, police ask that parents do not go to the school. Information will be

communicated through the school board social media sites (www.facebook.com/SCDSB and www.twitter.com/SCDSB_Schools) and website (www.scdsb.on.ca), through local police and local media.

- All schools have **evacuation plans** in case of gas leaks, bomb threats or fire incidents that would require everyone to leave the school. We hold drills to practice our evacuation plan. In a real evacuation, students and staff may go to the evacuation site, depending on the situation. Parents will be informed about pick-up procedures by the school, school board and local media.
- Elementary school main doors are locked during the school day. Visitors must use the **intercom system** to enter the building. **Staff may not be available to answer the door immediately, please be patient.** All visitors, including school volunteers, are required to **sign in** at the school office and wear **visitor identification.**
- Staff and volunteers must complete a **criminal record check** before having contact with students.
- We ask parents to contact us when their child will be absent from school as part of our **Safe Arrival** program. When we don't hear from a parent/guardian and a student is absent, we will call home to find out the reason for the absence.
- At least two staff members in every school are trained in **first aid and CPR.** All SCDSB schools **have Automated External Defibrillators (AEDs).**

When parents are at school during a drill or emergency event, they must follow direction from school staff, police, fire and/or emergency personnel. Parents may not have immediate access to their children during drills or emergencies. They may need to wait until the situation is resolved and school staff and/or emergency personnel release students into parent care.

It's important for you to know we'll always take whatever precautions are necessary to keep our school and students safe.

Student Dress Code

Students are expected to respect the guidelines when dressing for school. Our school is a safe space. We work to be equitable and inclusive, and understand that students may choose to express themselves through their clothing choices. Student clothing cannot pose a safety concern or conceal identity.

Exceptions are granted to students who wear head coverings or other garments/objects for the purposes of religious observance, medical or sensory needs, or other reasons protected by the Ontario Human Rights Code.

The SCDSB dress code is available in the student agenda and online at www.scdsb.on.ca. If you have questions about the dress code, you can contact the principal or the SCDSB Equity and Inclusion Education Team at 705-728-7570.

Ideas for packing healthy school lunches (for elementary schools)

A school lunch should give children the energy and nutrients they need to be ready to learn, be more alert and perform better at school. When planning lunches keep these tips in mind:

- Include one serving from at least three of the four food groups from Canada's Food Guide.

- Rather than buying pre-made lunch kits, make your own healthy "lunch kit" with divided containers and small bite-sized cheese cubes, left over chicken chunks, veggie sticks or fruit slices.
- Get your kids to eat more veggies - send cucumber coins, zucchini sticks and pepper strips with dip.
- Fill whole wheat or multigrain wrap/pita/tortilla shells with your child's favourite foods such as hummus and grated carrot or sliced turkey with honey mustard.
- Don't have them drink their fruit - send water instead.

For more information to keep you and your family healthy, visit www.simcoemuskokahahealth.org or call Health Connection at 705-721-7520 or 1-877-721-7520.

Stressful Mornings Sound Familiar? Here's how to get organized and out the door on time

(for elementary or secondary schools)

Try these tips to help get the whole family out the door on time:

1. Plan ahead: pack lunches and pick out clothes the night before.
2. Go to bed at a reasonable hour so you wake up rested and ready for the day.
3. Wake up and get yourself ready, before your child.
4. Keep the TV and electronics off. These can be disruptive first thing in the morning.
5. Give clear instructions and be realistic about what your child can do for themselves. Praise them when they do something well to help them learn new skills.

Finally, remember to have patience. Your child learns from watching you! In time your child

will learn to plan ahead, be organized, and develop patience too. For more tips, visit www.simcoemuskokahahealth.org or www.tripleparenting.ca

Don't stress! Back to School Mental Health Tips

It's the start of a new school year and students need to get back into the swing of things! While a new school year can be exciting, it can also cause stress and anxiety. The Canadian Mental Health Association (CMHA) suggests maintaining positive mental health during this seasonal shift with the following strategies:

- Take care of your body - mental and physical health are fundamentally linked. Make sure to get enough sleep, drink water, eat well and exercise.
- Build resiliency - resiliency means coping well with problems, stress, and other difficult situations. Set aside time to think about the resiliency tools available to you and your child, such as structured problem-solving skills or resources that can help out during difficult situations.
- Reach out for support - offering love, acceptance and sense of safety is important but so is providing resources outside of the home to support our youth in times of crisis. Some useful resources include New Path, YMCA of Simcoe/Muskoka, CMHA, Simcoe Muskoka Family Connexions, and the Kids Help Phone.

Simcoe Community Services' Grandparent System Support Groups

The Grandparent System Support Program (GSSP) was established in response to the increased needs and unique challenges experienced by grandparents with the sole responsibility of raising their grandchildren. Support Groups are available now in Barrie, Bradford, Orillia and Midland with plans for support groups in local communities across Simcoe County. Support groups provide a safe and confidential environment where grandparents can create relationships with others who understand and have lived experiences in similar situations. Grandparents can build on skills, resource share and network to build a community of support. For more information about the support group, meeting dates/times or if you have questions about the GSSP, contact gssp@simcoecommunityservices.ca or 705-726-9082 x2321. Childminding and transportation assistance may be available.
